Published by Stefano's Printing

May 2004

\$18.00 Paperback

On January 16, 2004, the department celebrated its 100-year anniversary, a testimony to the loyalty of its membership. In honor of this incredible service, this history book was written as a detailed history of our department over the last century.

With a meticulous examination of department records, eyewitness accounts, and other relevant documents, *Century of Courage* is both a memoir and a history combined into an essential resource for the study of the fire department's history.
